

Class Offerings

Classes run from Monday, September 21st to Sunday, December 13th (12 classes). The cost for each class, as well as the scheduling details and class descriptions, are below. Each class outline is subject to change and, depending on the students we have and their preference for how the class runs, classes may be changed accordingly. Students are not required to participate in the end-of-semester showcase.

Private dance and theatre lessons, both socially distanced in-person or via Zoom, are another option available. Please email us at spotlightkidscompany@gmail.com if you have any interest.

If a student would like to sign up for more than one class, \$65 will be deducted from each additional class registered. We encourage students to take as many classes as they would like, so please feel free to reach out with any questions or concerns. Classes can be made up if missed.

If finances prevent your student from participating, please let us know so we can work out an alternate plan. We don't want any student to be turned away due to financial burden.
